McNEAL, Archbishop, Neal = Archbishop of Toronto January 1919 (063)

January 4th, 1919

His Grace

Archbishop McNeil,

Wellesley Place,

Toronto.

My dear Archbishop:

Allow me to reciprocate your kind wishes for a very happy New Year. I hope that you will have every strength for your very arduous duties.

Several others have written to me asking that the name of Alexander Fraser be placed before the Committee on Honorary Degrees in order that he may be considered for a degree from the University. I will lay your letter before the Committee when it meets, and I am sure that your opinion will be given careful consideration. I may state, however, that there are twenty-five members of the committee and that the report has to be signed by a large number of them so that it is impossible to forecast what the decision may be.

Yours sincerely,

President.
